

## Safety responsibilities of employers

Instructions for use: Fill out using Acrobat Reader then save to your PC once completed.

### Task 1

Employers have to provide the correct and most up to date training to their employees.

When working in the Public Services what training do you think you would have to take part in?

1.	
2.	
3.	
4.	
5.	
6.	
7.	
8.	
9.	
10.	

## Task 2

We already know that employers have the responsibility to provide training for their employees.

Can you think of some examples for why this training is needed and how it can be used in the Public Services?

Type of training	Examples in the Public Services
Health and Safety	
First Aid	
ICT	
Equality and Diversity	
Using specific equipment	
Changing policies
