

How Public Services are affected by changes in society

Instructions for use: Fill out using Acrobat Reader then save to your PC once.

Task 1

How will a growing and ageing population affect the Public Services?

Consider the effect for each of these public services:

Public Service	The effect it can have
Border Force	
Police	
Paramedics	
Local Councils	

Task 2

Explain the consequences of the situations you have read about during the session.

You can use quotes and statistics from the case studies provided to support your answers.

Try to complete two paragraphs if you can.

Task 3

Once you have watched the video clips, answer the following questions:

How do you think social media is affecting the perception of the Police, if these are the types of videos being uploaded to social media?

Do you think social media is having a bad effect on the Public Services?
