

Instructions for use: Fill out using Acrobat Reader then save to your PC once completed.

As a newly appointed junior member of the planning team you have been asked to look at the possible objections to the proposed housing plan for your local area. You are particularly interested in those stakeholders who will be representing the public services as you know that their budgets are already stretched and if they see the housing plan as negatively impacting on the services that they provide this may prevent the plan from being approved. Using the websites and resources that you have been given and any other sources of information that you think are relevant consider the impact that the proposed plan will have on each of the stakeholders outlined in the table. When you have completed the table, don't forget to save it.
