## Initial Preparation for the Debate

Instructions for use: Fill out using Acrobat Reader then save to your PC once completed.

It is important to be clear on your main reasons as these will formulate your introduction. Now that you have had a chance to research the subject identify your two main reasons and record them below. For each of the reasons then give your supporting arguments and list your facts and evidence for each in the appropriate boxes.

| Reason 1                       |                              |
|--------------------------------|------------------------------|
|                                |                              |
|                                |                              |
|                                |                              |
|                                |                              |
|                                |                              |
|                                |                              |
| Reason 2                       |                              |
| RedSUIT 2                      |                              |
|                                |                              |
|                                |                              |
|                                |                              |
|                                |                              |
|                                |                              |
|                                |                              |
| Give your supporting arguments | List your facts and evidence |
|                                |                              |
|                                |                              |
|                                |                              |
|                                |                              |
|                                |                              |
|                                |                              |
|                                |                              |
|                                |                              |
|                                |                              |
|                                |                              |
|                                |                              |
|                                |                              |
|                                |                              |
|                                |                              |
|                                |                              |
|                                |                              |
|                                |                              |
|                                |                              |
|                                |                              |
